Ref : Letter of Recommendation  
Mr Haim Soffer

Dear Sir / Madam

It is with great pleasure that we write this letter of recommendation for Mr Haim Soffer;

We had the pleasure of visiting Israel in December 2016, with Mr Haim Soffer as our tour guide. We planned to visit the most popular tourist attractions as well as some of the less frequent ones.

With his local knowledge, Mr Haim Soffer was a superb candidate. We found him very informative, knowledgeable and a great travel companion. He was well versed in both local history and the Christian background. We certainly soaked in all his extensive knowledge about significant events.

Our holiday was enriched by Mr Haim Soffer and we would highly recommend him to anyone planning to visit the beautiful country of Israel.

Yours Sincerely

Nissim and Shelly Konforty
